Trip to Argentina

I think you should make every effort to accompany Bill Bowdler on his trip to Argentina. There is reason to believe that Christopher has a favorable feeling about that, so if you'll get hooked up. You might want to talk to Bowdler first. In any case, we're going to press whether they want you to go or not.

Here's a joke from Jerry Shestack: "Why is Cuba the biggest country in the world? Answer: The capitol is in Moscow, the army is in Africa and the people are in the United States."
